In view of negative reply from Exxon re bunkering at terminal please prepare the application for exemption from the LSMGO regulations in case vessels berthing is delayed beyond 27 June.
Must be sent 24 hrs in advance.

Thanks and best regards

Good day,

Polyar Tankers would like to request permission to bunker their vessel Lillesand while she is alongside at Exxon Baytown discharging crude oil. They advise they are flexible with terminal regulations and can take bunkers before, during or after cargo operations.

Kindly advise approval for this action.
